Background:

The Ontario Provincial Police (O.P.P.) contacted the City with a request for additional parking on Water Street in front of the O.P.P. Station.

There were originally two parallel parking spaces which were converted into six (6) angle parking spaces.

The O.P.P. bore all costs for line painting services.

It will now be necessary to amend the Traffic Regulation By-law 127-2001 Schedule "B" No Parking Areas-Tow Away Zone to reflect the change to limits of the no parking area along the south western side of Water Street.
