City Council Committee Report

To: Mayor and Council

Fr: Joanne L. McMillin, City Clerk

Re: Consolidated Tariff of Fees & Charges By-law

Recommendation:

That Council give three readings to a by-law to authorize a consolidated Tariff of Fees & Charges for the City of Kenora in keeping with the number of amendments made to-date; and

That public notice is hereby given that Council intends to adopt the new by-law at its November 21, 2011 meeting; and further

That this by-law shall take effect and come into force upon third and final reading, thereby repealing By-law Number 147-2007, as amended.

Background:

It will be approximately five (5) years since the then revised Tariff of Fees By-law came into effect and since that time there have been a number of amendments, and it is recommended a consolidation of all amendments be adopted. It should be noted that no increases or changes are contained in the new by-law, it is simply a consolidation since 2007.
