City Council Committee Report

To: Mayor & Council

Fr: Marco Vogrig, Municipal Engineer

Re: Section of Fourth Avenue South - Name Change to Fourth Street South

Recommendation:

Whereas Section 27 the *Municipal Act, 2001*, S.O. 2001 c. 25, as amended, allows a municipality to pass by-laws in respect of a highway only if it has jurisdiction over the highway;

And Whereas to correctly correspond to descriptions in the City of Kenora Traffic Bylaw 127-2001 and 79-2003, as amended;

And Whereas notice has been provided for the proposed change pursuant to By-law No. 144-2007 of the Corporation of the City of Kenora;

Now Therefore The Corporation of the City of Kenora Hereby Enacts as Follows:

1. **That** a section of Fourth Avenue South approximately 100 feet in length as shown on the attached Map 1 and located between First Avenue South and the Entrance to the Canada Safeway property, in the City of Kenora, be renamed to Fourth Street South.
2. **That** this By-law shall come into full force and effect on the date of final passage hereof at which time all By-laws that are inconsistent with the provisions of this By-law and the same are hereby amended insofar as it is necessary to give effect to the provisions of this By-law.

Background:

When the City reconfigured the roadway at Fourth, First and Safeway Entrance it was discussed to change a short section (approximately 100 feet in length) of Fourth Avenue South to Fourth Street South. Also, when the Traffic Bylaw was consolidated after amalgamation the wording in the bylaw

reflected this proposed renaming of the intersection at First Avenue South and Fourth Avenue South to First Avenue South and Fourth Street South but somehow, the renaming of the street was overlooked. Now, in order to correspond correctly with the Traffic Bylaw, that section of Fourth Avenue South running east-west from the Safeway Entrance to First Avenue South should officially be renamed Fourth Street South. This would fall in with our street names as Third Street South runs east-west just north of this intersection and Fifth Street South runs east-west just south of this intersection. No civic addressing will be affected by this name change (Safeway's address is First Avenue South).
