City Council Committee Report

To: Mayor and Council

Fr: Joanne L. McMillin, City Clerk

Re: Remuneration By-law

Recommendation:

That Council give three readings to a by-law to provide for Annual Remuneration to the Mayor and Members of Council of the City of Kenora in order to reflect the per diem rate in the by-law rather than in the Per Diem Policy, as approved by Council at its meeting held November 21, 2011; and further

That By-law Number 125-2011 be and is hereby repealed.

Background:

The new per diem rate of \$162.00 approved at Council's November meeting did not get changed in the Remuneration By-law; the by-law refers to the rate in the policy while the revised policy refers to the rate in the by-law. So to correct the oversight the Remuneration By-law requires to be changed to reflect the per diem rate. This way, as previously discussed, the policy will not have to be changed every time the per diem rate changes and all applicable rates will be set out in the one document, the Remuneration By-law.

Communication Plan/Notice By-law Requirements:

Notice that the per diem rate will be included in the Remuneration By-law.
