Re: Leading with Sustainability: Looking Beyond the Environment Pillar Workshop

Recommendation:

That authorization be hereby given for Councillors Roussin, Lunny, McKay, McMillan and Smith to attend the 2012 Leading with Sustainability: Looking Beyond the Environment Pillar Workshop taking place Wednesday, April 25, 2012 at the Best Western Lakeside Inn; and further

That all eligible expenses in accordance with Council's Travel and Per Diem Policy be and are hereby authorized.

Background:

The Association of Municipalities of Ontario have developed a new "Leading with Sustainability" workshop that is being held in various municipalities across Ontario including Kenora. This hands on workshop will help municipal leaders deliver on sustainable principles and actually achieve results. The session will focus on the concept of it taking more than a councillor or a council to get sustainable initiatives off the ground – it takes a community. The workshop is suitable for all municipal council members and heads of administration.

Because the workshop is taking place in Kenora, the cost is minimal at only \$50 plus HST per registrant.

Budget:

Applicable Member of Council.
