## City Council Committee Report

**To: Mayor & Council**

**Fr: Joanne L. McMillin, City Clerk**

**Re: Amendment to Comprehensive Docks By-law #100-2011**

### **Recommendation:**

That Council give three readings to a by-law to amend By-law Number 100-2011 being a by-law to regulate the use of municipal docks and anchorages within the City of Kenora; and further

That Council give three readings to a by-law to approve an amended Parking Meter Permit Policy.

### **Background:**

Provision for vehicular parking for seasonal docking patrons should be reflected in the recently approved Comprehensive Docks By-law which sets out a number of rules and regulations surrounding docking at the Harbourfront. This provision was previously included in the Docking Policy which was subsequently repealed last year; and as well it is referenced in the Parking Meter Permit Policy and should be deleted as it is no longer appropriate in that policy.

Currently a parking space is provided at either the Lakeview Drive lot or the McClellan Avenue lot (based on availability) for those renting a seasonal docking space at the Harbourfront. The regulation will also reflect that this provision does not apply to those mooring at a Mooring Buoy, now provided for in the Dock By-law.

These approvals are simply housekeeping in nature.
