

**April 16, 2012**

**City Council  
Committee Report**

**To: Mayor & Council**

**Fr: Tara Rickaby, Planning Administrator**

**Re: Flooding easements in favour of Ontario Power Generation**

**Recommendation:**

That the Council of the Corporation of the City of Kenora authorizes the Mayor and Clerk to execute a flooding easement agreement between the City of Kenora and Ontario Power Generation for certain lands included on Old Fort Island and parts of Tunnel Island.

**Background:**

The City of Kenora accepted transfer of Old Fort Island and parts of Tunnel Island from Abitibi Consolidated several years ago. A condition of this agreement was that the City of Kenora granted to Ontario Power Generation, a flooding easement once the survey has been completed.

The survey of the easements was completed in late 2011 and reviewed by Municipal Staff and the Municipal Solicitor and are now in order.

Ontario Power Generation is responsible for all related costs related to the Flooding Easement over the properties.

**Budget: N/A**

**Communication Plan/Notice By-law Requirements: Notice by agenda of Property and Planning Committee and Council, Municipal Solicitor, Municipal Engineer**
