## **City Council Committee Report**

**TO: Mayor and Council**

**FR: Tara Rickaby, Planning Administrator**

**RE: Transfer and assumption of Golf Course Road**

### **Recommendation:**

That Council of the City of Kenora gives three readings to a by-law to accept and assume Golf Course Road as a municipal road; and further

That the Mayor and Clerk be hereby authorized to execute any and all documents required to complete this transaction; and further

That the Municipal Solicitor co-ordinate this process on behalf of the City.

### **Background:**

In September of 2012 Council adopted this resolution:

That the Council of the City of Kenora hereby undertakes to survey a portion the road locally known as Golf Course Road and portions of the roads to the Devil's Gap Marina (to the northeast boundary of the bridge/causeway) and to Wauzhushk Onigum, to the boundary of the First Nations lands; and

That the roads, once surveyed and described will be assumed as highways for municipal purposes; and

That the City of Kenora will assume the associated costs in return for the transfer of the roads.

The lands are now surveyed, and the survey deposited into the land registry system. The City now needs to accept and assume the road for municipal purposes.

**Budget:** Operations Operating budget

**Communication Plan/Notice By-law Requirements:** Agenda for Property and Planning and Council, Property Owners, Municipal Solicitor, Engineering (GIS)
