# 13. Adjourn to Property & Planning Committee Meeting

July 2, 2013

# City Council Committee Report

### To: Mayor Canfield and Members of Council

Fr: Charlotte Edie, Treasurer

#### Re: 2012 Annual Report and Audited Financial Statements

#### **Recommendation:**

That Council here by approves the 2012 City of Kenora Annual Report, including the 2012 audited financial statements for the City; and further

That a copy of this report be made available for public viewing on the City's portal, as well as the front desk at City Hall.

# **Background:**

A copy of the Annual Report and audited financial statements is attached to this report for your reference. The report is incomplete in that the Auditors' Report will not be signed until Council has formally approved the financial statements.

In 2009 there was a significant change to the City's financial statements from previous years, due to the new requirement to record Tangible Capital Assets and related amortization, with capital works no longer being expensed as performed. Under this new requirement, the City is required to record the value of all tangible assets net of amortization. As a result of this, the City's financial statements reflect a significant surplus due to the net result of the Tangible Capital Asset implementation. It should be noted that this surplus is comprised of all the accumulated surpluses and deficits of the funds, reserves and organizations that are included in the statements as well as the current amortized value of all City owned assets.

# **Budget:**

There is no expected budget impact as a result of this report.

#### **Communication Plan/Notice By-law Requirements:**

A press release will be prepared for the annual report and statements. This press release will be distributed to Council. The annual report will be made available on the city's portal, as well as at the front desk at City Hall. In accordance with the City's requirements under the Municipal Act, extracts of the audited financial statements will also be printed in the local newspaper.

July 4, 2013

#### Lefe of the tointy KENORA Marrie and the Marri and the Marrie and the Marri and the Marrie and the Marr

# City Council Committee Report

- To: Mayor Canfield & Members of Council
- Fr: Lauren D'Argis
- Re: May 2013 Monthly Financial Statements

#### **Recommendation:**

That Council hereby accepts the monthly Financial Statements of the Corporation of the City of Kenora as at May 31, 2013.

### **Background:**

Attached, for your information, please find the preliminary May 2013 summary expenditure statements for the City of Kenora, the Council department, travel statements for Council and a schedule of user fees.

With regards to the statements attached, the following points should be brought to your attention:

#### **Overall:**

- All Departments are reporting better than budget results to the end of May.
- Expenses on employee credit cards for May have not yet been entered. The anticipated impact is just over \$25k in expenses.
- Stores purchases and aggregate stockpile purchases for May have not yet been entered. The anticipated impact of this is just over \$20k in expenses.
- Subscriptions & memberships are over-budget in the majority of the departments. This is because the expenses are incurred at the beginning of the year.
- Expenses related to insurance premiums for the first six months of the year have been entered.

#### Expenditures:

- At the end of May, the year is five twelfths past. Assuming that expenditures are relatively level for the year, a result of (58%) in the % Variance column would indicate that expenditures are on track for the year.
- **General Government** The General Government expenditures are, as a whole, under-budget with 66% of the budget remaining. The majority of the departments are under-budget. While as a whole, Finance remains under-budget, some specific items are over-budget such as contracted services. Assessment Office Charges have already been entered for half of the year, so while they appear to be over-budget, they should match budget by the end of the year. The Rental department appears to be over-budget but the expenses are overstated because the utility recoveries have not yet been posted. The Mayor and Council, City Clerk and Human Resources departments are slightly over-budget. The Finance and the Human Resources advertising budgets are over due to the number of job advertisements that have been required. For the Mayor and Council department, of note is that donation expenses are heavily weighted to the beginning of the year and, therefore, only 26% of the budget is remaining. The Mayor & Council travel is slightly over-budget to the end of May with some having more budget remaining than others.
- **Protection** The Protection Department is under-budget. However, of note is KPS Disbandment which shows \$7,161 of expenses against zero budget. These are the post-employment benefit expenses for which the payable has already been created. By the end of the year, an adjustment will be made that will reduce or remove this expense. The Health & Safety Committee is over-budget due to the batteries requiring replacement in eight AEDs. Employees have not yet transferred into Facilities and Property Management therefore it shows as substantially under-budget.

- **Transportation** The Transportation Department is under-budget with 64% remaining to be spent. The largest variances are mostly explainable by seasonality. Maintenance for bridges, culverts and roads are under-budget, but this should correct itself as the maintenance season progresses. Winter control is over-budget with only 29% remaining for the year. The Barsky facility is showing over-budget primarily due to unforeseen repairs due to water damage and the premature break-down of a hot water tank. Vehicles and Equipment are also over-budget.
- <u>Environmental</u> The Environmental Department is also under-budget with 64% of the budget remaining. The largest variances are in Kenora Sanitary with 65% remaining, the Water Treatment Plant at 66% remaining and Kenora Waterworks with 63% remaining. The expenses for Hazardous Waste Day have not yet been posted, so this line item shows 100% remaining. Some individual accounts are over-budget, but none enough to affect the entire department. While the Water Treatment Plant is under-budget as a whole, the results are buoyed by the timing of the levy charge which is later in the year. The lab testing costs for the Water Treatment Plant are already above the total annual budget. Also at the Water Treatment Plant, all of the repairs and maintenance budget for the year has been spent. However, almost none of the contracted services or materials & supplies budgets have been spent. Hauling costs for the Transfer Facility are slightly over-budget.
- <u>Health expenditures</u> Health is slightly better than budget due primarily to the LOTW Cemetery transfer.
- **Social and Family** Transfers match budget for the year.
- <u>Recreation & Cultural</u> Overall Recreation & Cultural is under-budget with 61% of the year's expenses remaining. Revenues at the Rec Centre are up slightly and expenses are slightly over-budget except for training which is already over the annual budget. Budgeted expenditures on improvements to the library have not begun. Revenues at the MSFC Pool are up slightly from budget and expenses are up at the same rate.
- **<u>Planning & Development</u>** Planning & Development is under-budget. Some individual line items are over-budget such as contracted services in Planning Operations that has spent 1.5 times the annual budget to the end of May due primarily to recruitment agency costs. DTR Facade Improvements have not yet begun to show expenses.

#### **User Fees:**

- Overall, user fees are falling short of the budget projections. When looking at the user fee statement, if the variance percentage is less than 58%, the City has received more revenue than budgeted. If the variance percentage is greater than 58%, the City is experiencing a shortfall on that revenue budget line.
- General Government is showing revenues slightly below budget overall with each department showing a shortfall.
- Protection user fees are running under the budgeted projection, this is due, at least in part, to the unrecorded POA revenues. OPP fees are not as strong as budget projections but the Fire Operations user fees have gained ground and are on budget to the end of May.
- Transportation user fees are meeting budget. The rental fees for the Barsky facility have not yet been entered.
- Environmental user fees are running under budget, with all areas, except Garbage Collection fees, lagging behind projections.
- Social & Family user fees are no longer expected but remain on this report to show last year's information.
- Recreation & Cultural fees are slightly better than budget to the end of May, which is due to the Rec Centre Complex, Thistle Arena and MSFC pool. As the parks and other seasonal facilities continue to show fees, the variance to budget should become even more favourable.
- Planning & Development user fees are meeting budget to date overall with Tourism having collected most of the annual budget already.

Please let me know if you have any questions, or would like to see any of the department statements in further detail.

# City Council Committee Report

# **TO: Mayor and Council**

FR: Joanne L. McMillin, City Clerk

# **RE:** Replacement of Council Member on NWHU Board of Health

#### **Recommendation:**

That authorization be hereby given for Councillor Sharon Smith replace Mayor David Canfield as the Kenora Council representative on the Northwestern Health Unit Board of Health with a term to be in effect from September 1, 2013 to November 30, 2014; and further

That a copy of this resolution be forwarded to the NWHU Board of Health and the Township of Sioux Narrows-Nestor Falls.

#### Background:

Mayor Canfield will be stepping down as the Kenora Council representative on the Northwestern Health Unit Board of Health and Councillor Sharon Smith has agreed to replace the Mayor in this capacity until the end of the Council term of November 30, 2014.

#### **Budget:**

N/A

#### **Communication Plan/Notice By-law Requirements:**

Northwestern Health Unit, Sioux Narrows-Nestor Falls, H. Kasprick Membership Listing

2 July 2013

# City Council Committee Report

To: Mayor and Council

Fr: Joanne L. McMillin, City Clerk

# **Re: Receipt and Approval of Various Committee Minutes**

#### **Recommendation:**

That Council hereby adopts the following Minutes from various City of Kenora Committees:

- > May 21 Committee of Adjustment & Planning Advisory
- June 4 Event Centre Committee
- > June 17 Homelessness & Behavioural Issues Task Force
- > June 18 Committee of the Whole and Property & Planning
- > June 19 Environmental Advisory Committee
- > June 19 Lake of the Woods Museum Board

That Council hereby receives the following Minutes from other various Committees:

- April 17 Kenora Police Services Board
- May 9 Kenora District Services Board
- > May 23– District of Kenora Home for the Aged Board of Management; and further

That these Minutes be circulated and ordered filed.

#### **Background:**

This static monthly report appears on the Committee of the Whole Agenda (Business Administration-BA) for the purpose of Council approving and/or receiving various Committee Minutes. Those being approved are the Committees of Council which Council should be approving the actions of those Committees and does so in the form of a by-law under the Confirmatory By-law.

The Minutes being received are typically from local Boards or Corporations for information only (and cannot be 'approved' by Council).

The various Minutes will appear under separate cover as an attachment on SharePoint to this report.

#### Budget: N/A

#### Communication Plan/Notice By-law Requirements: N/A

July 3, 2013

# City Council Committee Report

#### **To: Mayor & Council**

- Fr: Colleen Neil, Recreation Services Manager
- **Re: Recreation Rates and Fees.**

#### **Recommendation:**

THAT Council hereby approves the rates and fees outlined in the July 3, 2013 report of Colleen Neil, Recreation Services Manager, effective September 1, 2013; and

THAT in accordance with Notice By-law Number 144-2007, public notice is hereby given that Council intends to amend the Tariff of Fees and Charges By-Law #147-2007 at its July 16, 2013 meeting to give effect to these rates; and further

THAT Council give three readings to a by-law to amend Schedule "B" to Tariff of Fees and Charges By-Law Number 147-2007 for this purpose.

# **Background:**

In 2009 Council passed a resolution to provide staff with a bench mark to set recreation rates for the City of Kenora. The goal of the resolution was to see rates for youth at a 55% cost recovery, rates for adults at a 65% cost recovery and non-residents rates at 100% cost recovery. Prior to this resolution most rates were averaging about a 45% cost recovery. In 2009, with the approved rate increases, more efficient expenditures and capital project increasing operating efficiencies most rates were approaching with the majority meeting the expected cost recovery. In 2010 we saw the additional cost of HST and it was determined that a rate increase, in addition to the HST would not be palatable for our users at that time. Also in 2010 the Thistle Rink went through a major renovation with the support of the RINK Grant. 2011-2012 was our first full operating season and now with 2012 yearend figures complete this has allowed staff to properly review our actual expenses and bring forward a recommendation to council keeping in mind future predetermined wage costs and predicated utility costs.

Resident Rates have not been increased more that 5% Non Residents Rates have seen the greatest increase so that the rate of cost recovery can reach 100% in the near future.

Proposed rates would be in effect for all new fall seasons and be reflected in annual contracts going out in August for the 2013-2014 season.

The following are the current rates and the proposed changes as well as any new rates, marked in red, that are being recommended for increases and implementation.

All proposed rates are comparable in the region and competitive in the private sector.

### **Budget:**

This proposal is in keeping with the municipalities mandate to levy local taxes for the purpose of providing recreation programs and facilities and as part of the annual rate review to maintain established percentage of cost recovery in order to establish and meet proposed annual budgets.

### **Communication Plan/Notice By-law Requirements:**

Required under Schedule 'A' to Notice By-law 144-2007: before passing or amending a by-law pertaining to fees and charges imposed by the municipality, Council shall give public notice of its intention to pass a by-law by placing it on applicable agenda preceding meeting subsequently posted on Portal.

# FR: Richard Perchuk, Operation's Manager

# RE: CONEY ISLAND, SAFETY BY, AND DREWRY DRIVE SEWER & WATER UPGRADES

### **Recommendation:**

**That** the following tenders for the Coney Island, Safety Bay and Drewry Drive Sewer & Water Upgrades, Contract 2013-03, be received by the City of Kenora:

Titan Contractors\$ 973,461.01 (HST not included)Moncrief Construction Ltd.\$ 1,393.026.00 (HST not included)Bay City Contractors\$ 2,102,575.00 (HST not included)

**That** the tender submitted by Titan Contractors, in the amount of \$973,461.01 (HST not included), be accepted.

# Background:

- **Coney Island** Sewer and water mains are to be looped between existing mains in the lake and on Coney Island to resolve potential water quality issues, and to provide additional versatility in distributing potable water and the disposal of sanitary waste. Additional sewer connections will be made available in the immediate vicinity of Beach Street, allowing residents in proximity to the works to install seasonal sanitary service.
- **Safety Bay Crossing** The replacement of a portion of existing, currently outof-service cast iron water main with PE pipe, to restore looped water distribution, and provide redundancy in the water feed to the hospital. The washroom service to McLeod Park will also be renewed as part of the works.
- **Drewry Drive** Storm sewer is to be installed to alleviate surface run-off at the east end of the street. Proposed storm works will connect to the existing Nairn Avenue system via Valley Drive. All sanitary laterals on Drewry Drive are to be replaced between the main and the property lines due to presence of 'no-corrode' pipe in many of the locations. Spot repair digs of the sanitary main are also to be undertaken, both on Drewry Drive and on Valley Drive. Water services on Drewry Drive are to be renewed concurrent with the sanitary works. Paving and sidewalk restoration will take place during 2014.

The advertised Tender closed on Tuesday, June 25, with the above noted tenders received.

# **Budget:**

2013 Capital Budget – Coney Marine Water Line: \$397,600; Coney Island Force Main: \$200,000; Water Main Program: \$400,000; Sanitary Sewer Program: \$400,000 and Storm Sewer Program: \$150,000 Budget Total:\$1,547,600.

### RE: Amendment to Traffic Regulation By-Law 127-2001 – Rate of Speed -Railway Street

#### **Recommendation:**

That Council gives three readings to a by-law to authorize an amendment to the City of Kenora Traffic Regulation By-law 127-2001 to add the following change to Schedule "T" – Rate of Speed – Railway Street:-

# Schedule "T" – Rate of Speed

| 8 al al -   | <u>Column 1</u> | <u>Column 2</u>                                       | <u>Column 3</u>        |
|-------------|-----------------|---|------------------------|
|             | STREET/HIGHWAY  | LOCATION  | MAXIMUM SPEED          |
| <u>Add:</u> | Railway Street  | From 10 <sup>th</sup> Avenue South<br>to Airport Road | 40 kilometres per hour |

# Background:

The City of Kenora has received a request to lower the speed limit along Railway Street from the Real Canadian Wholesale Club to Ninth Street North (past the CPR crossing at the start of Airport Road), see attached letter.

The Roads Supervisor does not recommend a reduction of the speed limit from 50 km/h to 45 km/h, as requested. It should be noted that the speed limits can only be posted at 40 or 50 km/h, as per the Highway Traffic Act.

The O.P.P. have suggested that the speed reduction should continue past the Sixteenth Avenue CPR crossing to the second crossing at the start of Airport Road. The request is actually for the reduction to continue past the Airport Road crossing up to the Ninth Street North at Airport Road intersection.

Due to the condition of Railway Street, a roadway with narrow shoulders and high traffic volumes, a speed reduction would be recommended.

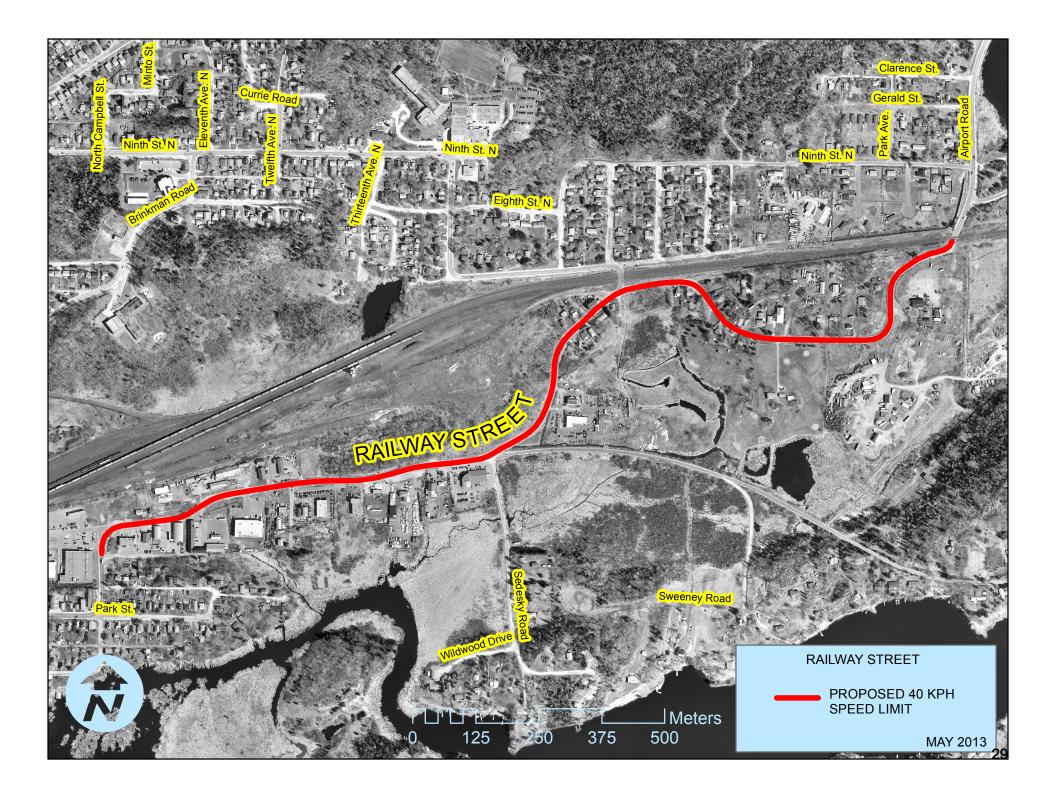

I am in agreement with the O.P.P. that the speed reduction should be from the Airport Road CPR crossing to the Real Canadian Wholesale Club at Tenth Avenue South.

It is recommended that the Traffic Regulation By-law No. 127-2001 Schedule "T" Rate of Speed be amended to add a 40 km/h speed limit on Railway Street from the Real Canadian Wholesale Club at Tenth Avenue South to the Airport Road CPR crossing.

# City Council Committee Report

# To: Mayor & Council

# Fr: Richard Perchuk, Manager of Operations Biman Paudel, Water & Sewer Supervisor

# **Re: Water & Sewer Cross Connections – Update**

### **Recommendation:**

**That** Council hereby accept the report entitled Status on Identified Cross Connections" as prepared by Biman Paudel, Sewer and Water Supervisor, dated June 27, 2013, which includes an anticipated timeframe for completion of these works by December 31, 2013.

# **Background:**

On December 19, 2012, the MOE was provided with a work plan for the repair/alteration of eleven (11) identified cross connections between water mains including bleeder lines and sewer manholes within the Kenora Drinking Water System as per #5 and #6 of Provincial Officer's Order that was issued on September 20, 2012.

The attached Report prepared by Biman Paudel indicates that out of the eleven cross connections identified repair works have been completed on five (5) locations, with the six remaining locations expected to be completed prior to or by the approved deadline of December 2013.

The department continues to give cross connection repair works the highest priority and all works will be completed within the anticipated timeframe.

# Budget: 2013 Operating Budget

# **Communication Plan/Notice By-law Requirements:**

Resolution required. Distribution: R. Perchuk, Biman Paudel

| From    | : | Biman Paudel, Sewer and Water Supervisor |
|---------|---|--|
| То      | : | Rick Perchuk, Operations Manager         |
| Subject | : | Status on identified cross connections   |
| Date    | : | 27/06/2013                               |

Out of the following eleven (11) identified cross connections between water mains including bleeder lines and sewer manholes, we have currently completed repair works on five (5). Those locations with eliminated cross connections are highlighted on the list. Water and sewer department has given the highest priority on cross connections' repair works and intends to get all done prior to our initial commitment of December 31<sup>st</sup>, 2013.

#### **Identified Locations:**

- 119 Rupert Road
- 2<sup>nd</sup> Street N at 4<sup>th</sup> Avenue N (S/W Corner)
- 122 Main Street N
- 321 1<sup>st</sup> Street N
- 323 2<sup>nd</sup> Street N
- Gunne CR at Poirier Drive
- 7 Segmiller Avenue
- 200 (north end) Regina Avenue
- 200 1<sup>st</sup> Street N
- 13 Anne Crescent
- 409 5<sup>th</sup> Street N (Back Lane)

#### \*\* Note:

There was a typo in address for 409 5<sup>th</sup> Street N (Back Lane), earlier it was written as 219 5<sup>th</sup> Street N (Back Lane). Its corrected now.

# City Council Committee Report

### To: Mayor & Council

Fr: Richard Perchuk, Manager of Operations Biman Paudel, Water & Sewer Supervisor Ryan Peterson, Water Treatment Plant David Nachuk, Wastewater Treatment Plant

### Re: 2013 Water & Wastewater Systems Monthly Summary Report- May

#### **Recommendation:**

That Council of the City of Kenora hereby accepts the May 2013 Kenora Water and Wastewater Systems Monthly Summary Report, as prepared by Biman Paudel, Water and Sewer Supervisor, Ryan Peterson, Water Treatment Plant Operator and David Nachuk, Wastewater Treatment Plant Operator.

#### **Background:**

The Water and Sewer Department will be providing Council with Water and Wastewater Systems Summary Reports, on a monthly basis.

The purpose of the Report is to provide Council with an understanding on how the water and wastewater systems they own and operate are maintained. Data will be collected at the end of each month and presented to Council for acceptance, see attached.

The Operations Department recommends that Council accept the 2013 Water and Wastewater Systems Monthly Summary Report for May.

# **CITY OF KENORA**

# Monthly Summary Report Water & Wastewater Systems

May 2013

Prepared by: Biman Paudel, Water & Sewer Supervisor Ryan Peterson, ORO, Water Treatment Plant David Nachuk, ORO, Wastewater Treatment Plant

# **1.0 Introduction**

This report contains the major maintenance activities and operational events that occurred during the month of May 2013 at the Kenora Area Water Treatment Plant, Water Distribution System and Wastewater System. This information report has been prepared for Council to better understand how the systems they own and operate are maintained on a monthly basis.

# 2.0 Water Treatment Plant

2.1 Monthly Flow and Operating Data – See Schedule "A"

#### 2.2 Weekly Bacteriological Samples

1 Raw, 1 Treated and 6 Distribution for a total of eight (8) samples are taken on a weekly basis.

Sampling was conducted on the following dates:

- May  $6^{th}$
- May 14<sup>th</sup>
- May 21<sup>st</sup>
- May 27<sup>th</sup>

All samples tested were within the allowable parameters.

#### 2.3 Maintenance

- Work was performed on the alum flow auto shutdown. Tested and verified functionality.
- Replaced belt on fluoride feeder.
- Rebuilt #3 chlorine regulator with maintenance kit.
- Work continues on the new caustic system.
- Cleaned rotometer on fluoride analyzer.

#### 2.4 Training

No training took place in May.

### 2.5 Water Quality Complaints

There was one water quality complaint throughout the month of May.

• A customer complained of low water pressure and occasional coloured water. Ensured adequate chlorine residual and forwarded pressure complaint to distribution crew.

### 2.6 Other Information

- Distribution system chlorine levels were sampled at three locations weekly throughout the month in addition to the chlorine levels being sampled along with regular weekly bacteriological samples.
- Work continuing on the Drinking Water Quality Management Standards (DWQMS) documents and organization.

# **3.0** Water Distribution System

#### 3.1 Maintenance

#### 3.1.1. Water Distribution

- May 2 Dug and repaired water service at: 529 Second Avenue South.
- May 3 Replaced hose clamp at: Evergreen Booster.
- May 9 Dug and replaced service box at: lot east of 1407 Valley Drive beside C & C Husky Auto Service & Repair.
- May 17 Flushed water main at: Mascott Avenue hydrant.
  - Repaired water service at: 613 Ninth Street North.
- May 23 Dug and repaired water service at: 1415 Beach Road.
- May 28 Dug and repaired water service at: 516 Third Street South.
- May 30 Repaired water service at: 1322 River Drive.
- May 31 Flushed water mains at: dead end of Mascott Avenue and 492 Rabbit Lake Road.

#### 3.1.2. Wastewater Collection

- May 1 Replaced 4" clay pipe with 4" plastic pipe at: Sixth Avenue South between First Street South and Park Street.
  - Sewer Rod plugged sewer at: 614 Fifth Avenue South.
- May 4 Sewer Rod plugged sewer at: 1220 Highway 17 East.
- May 7 Repaired force main at: 1349 Valley Drive.
  - Sewer Rod plugged sewer at: 504 Ninth Street North and 400 Third Street South.

- May 9 Steamed frozen sewers at: 811 ½ Fourth Street North and 701 First Street South.
- May 11- Sewer Rod plugged sewer at: 308 Second Street South.
- May 14 Sewer Rod plugged sewers at: 806 Park Street and 323 Eighth Avenue South.
  - Televised sewer service at: 1212 Ninth Street North.
- May 15 Sewer Rod plugged sewer at: 8 Florence Street.
  - Repaired manhole at: 1002 Guernsey Street.
- May 17- Repaired sewer service at: 613 Ninth Street North.
- May 18 Sewer Rod plugged sewer at: 401 Fourth Avenue South.
- May 20 Sewer Rod plugged sewer at: 843 Robertson Street.
- May 23 Sewer Rod plugged sewer at: 1200 Minto Avenue.
- May 27 Flushed sewer at: 416 Sixth Street South.
- May 29 Sewer Rod at: 1299 Heenan Place.
- May 31 Flushed sewer mains at: Front Street, 930 Highway 17 East and 927 Highway 17 East.
- 3.1.3. Water Thaws: City Property -0 Private Property -0

### 3.2 Training

- 3.2.1. May 8<sup>th</sup> All the staff within the Water and Sewer Department attended training on "ALS Laboratories Water Sample Training" at the Operations Centre.
- 3.2.2. May 27-31 Dave King completed "Ontario Ministry of the Environment's Entry Level Drinking Water Operator Course" in Thunder Bay.

# **3.3** Water Quality Complaints

There was one water quality complaint reported to the Water Treatement Plant for the month of May.

• A customer complained of low water pressure and occasional coloured water. Ensured adequate chlorine residual and forwarded pressure complaint to distribution crew.

#### 3.4 Boil Water Advisory(s) - 2013

There were no boil water advisories issued for the month of May.

# 3.5 Other Information

Seasonal summer service on Coney Island and in other locations was turned on.

# 4.0 Wastewater System

4.1 Monthly Flows & Operating Data – See Schedule "B"

### 4.2 Weekly Bacteriological Samples

- 4.2.1. Complete Analyses of Raw Sewage, Treated Effluent and Activated Sludge sent out May 23, 2013 Results:
  - a. Total B.O.D. (biological oxygen demand) Raw Sewage: 71 [mg/L]
  - b. Total B.O.D. Final Effluent: 3.0 limit is 25.
  - c. Total Suspended Solids Raw Sewage: 91 [mg/ L]
  - d. Total Suspended Solids Final Effluent: 7 [mg/ L] limit is 25
- 4.2.2. Weekly Final Effluent Bacti Samples sent to A.L.S. Laboratories on May 1, 8, 15, 22, 29 - Results: Organisms/100 mL
  - a. Geometric Means Total of 2.9
  - b. Geometric Means Limit is 200

In summary, raw sewage enters the plant with a bacti count of approximately 3 million and leaves the plant with a count of 2.9, which is well within the limit of 200. Plant reduction of B.O.D. is 96% and the Plant reduction of suspended solids is 92%.

# 4.3 Maintenance

- 4.3.1. Changed burnt out ballast and bulb on "Bank B" on U.V. system in #300 building.
- 4.3.2. Replaced a transformer on "Bank A" of U.V. system in #300 building.
- 4.3.3. Received prices for new awning windows to be installed in the #200 Screw Pump building .
- 4.3.4. Ran a new power supply for clarifier control gate valves after a dead short was found while operating them.

# 4.4 Training

4.4.1. Health and Safety Policy reviewed with staff.

# 4.5 Other Information

4.5.1. May 6, 2013 – Health and Safety Inspection.
