**RECOMMENDATION:**

THAT due to the additional \$15,000 cost to the 2006 Line Painting Contract; and the proposed changes to Main Street South under the Downtown Revitalization Plan; and the unlikelihood that the additional southbound lane will make a significant improvement to east bound traffic gridlock beyond Veteran's Drive, it is recommended the existing lane and line painting on Main Street South remain in its current configuration.

THAT the City of Kenora accept the Report on the Roads Service Delivery Review with the five (5) actions to help improve service delivery: communication, minimum maintenance standards, attitude/morale of work force, council response to individual/specific issues and benchmarking.
