#### **3.2 No Subcontractors**

The Contractor shall not engage or retain any agent, subcontractor or any other third party for purposes of providing the Services hereunder in whole or in part without the prior written consent of the City (which may be withheld in the City's sole discretion) and on terms and conditions satisfactory to the City in its sole discretion. The use of any agents, subcontractor or any other third parties by the Contractor shall in no way relieve the Contractor from its responsibility and obligation to provide the Services in accordance with the provisions of this Agreement.

#### **3.3 Removal of Personnel**

The Contractor shall forthwith remove from the City's premises and from performance of the Services any officer, employee, agent or subcontractor who is for any reason unsatisfactory to the City including, without limitation, and such person who:

- (a) is charged with and convicted of a criminal offence;

#### **3.4 Compliance with Policies**

The Contractor shall ensure that its personnel and agents and subcontractors, when using the City's premises, comply with all security, safety, emergency and access policies, procedures or regulations in effect from time to time on such premises.

## **ARTICLE 4 - PAYMENT**

### 4.1 **Payment**

The City shall pay the Contractor in accordance with the provisions of Schedule "B" (Terms of Payment), upon the diligent and timely performance of the Services to the satisfaction of the City. No payment by the City shall relieve the Contractor from the performance of its obligations hereunder.

### 4.2 **Excess Payments, Taxes**

The City shall not pay any amount exceeding the Agreement Amount or make any payment for any work done by the Contractor after the Completion Date unless prior written authorization has been obtained by the Contractor from the City. All customs duties, excise taxes (including HST), federal, provincial and municipal taxes and other duties, taxes or charges of a similar nature, and all travel and living expenses of the Contractor are included within the Agreement Amount, unless expressly stated otherwise in Schedule "C". ### 4.4 **Performance upon Failure of Contractor**

Upon failure of the Contractor (including any of its subcontractors) to perform any of its obligations under this Agreement the City may, but shall not be obligated to perform or engage a third party to perform any of those obligations without prejudice to any other remedy or right it may have and the Contractor, immediately upon written demand, shall pay an amount equal to all costs and expenses incurred by the City in association therewith, plus interest on that amount from the date the cost or expense is incurred until it is paid at the rate of 1.5% per month (19.6% per annum). The City may, in its discretion, deduct any such amount, together with interest, from any payment then or thereafter due by the City to the Contractor, provided that such action shall not be deemed a waiver of any action that the City may pursue to collect any costs or expenses incurred herewith that exceed the amounts owed to the Contractor.

#### 4.5 **Withholdings**

- (a) Notwithstanding any other provision of this Agreement, the City shall be entitled to withhold and remit to the appropriate taxing authorities, or otherwise withhold, federal withholding taxes or any other amounts required by law to be withheld from payments made to the Contractor.
- (b) If the Contractor is a non-Canadian resident the City shall, as required by federal legislation, deduct all applicable federal withholding taxes. For this purpose, the Contractor shall separately identify in each invoice all work performed in Canada and that performed elsewhere. The Contractor will be provided with evidence of withholdings as required, upon written request.
- (c) If the Contractor provides the City with an exemption certificate from Canada Revenue Agency, then the City shall not withhold any federal withholding tax in respect of the payment made to the Contractor in reliance on such certificate of exemption.
- (d) The Contractor is responsible for all deductions and remittances required by law in relation to its employees including those required for Canada Pension Plan, employment insurance, workers' compensation or income tax. The City shall have no liability or responsibility for the withholding, collection or payment of income taxes, unemployment insurance, statutory or other taxes or payments of any other nature on behalf of or in respect of or for the benefit of the Contractor or any other person.
- (e) The Contractor shall pay all municipal, provincial, or federal sales, excise (including HST) or other taxes or payments of any type payable hereunder to any level of government, and shall indemnify and hold the City, its officials, councilors, representatives, agents and employees harmless against any order, fine, penalty, interest or tax that may be assessed or levied against the City or such persons as a result of the failure or delay of the Contractor to make any such payment or to file any return or information required by any law, ordinance, regulation or other lawful authority.
- (f) The City is authorized to pay any demand by any level of government or government agency, including the Workers' Compensation Board, due to a failure by the Contractor, in which event the provisions of Section 4.4 of this Agreement shall apply.

#### 4.6 **Records**

The Contractor shall keep and maintain, at its principal place of business in Kenora, Ontario, or at such other location as may be agreed by the City, adequate and complete records from which any fees, costs, charges, reimbursable expenses or other amounts payable by the City to the Contractor may be readily and accurately determined and verified for each calendar month during the Term of this Agreement. The Contractor shall take such steps as are necessary to maintain such records in accordance with generally accepted accounting practices in Canada.

Such records shall be open to inspection by the City, or its agents, during the Contractor's regular business hours. The Contractor shall be required to retain such records for a period of seven (7) years following expiration or termination of this Agreement.

#### 4.7 **Audit**

The City or its agents shall, from time to time during the Term of this Agreement, and for a period of two (2) years thereafter, during business hours and upon reasonable notice to the Contractor, be entitled to review all or any of the security, quality assurance procedures, accounting or other records and procedures of the Contractor regarding the Services or business relationship between the City and the Contractor affecting any fees, costs, charges, reimbursable expenses or other amounts payable by the City, or any commitments to the City, and to have such records reviewed, audited, inspected or examined by an independent chartered accountant or other auditor or party designated by the City to determine:

- (a) whether the Contractor has accurately recorded events or transactions requiring payments of fees, costs, charges, reimbursable expenses or other amounts by the City, as applicable;
- (b) the status of the provision of the Services; and
- (c) whether the Contractor is complying with the terms of this Agreement.

The costs of any such inspection or audit shall be payable by the City.

#### 4.8 **Acceptance is Not Waiver**

The acceptance by the City, from time to time, of any statement of fees, costs, charges, reimbursable expenses or other amounts delivered by the Contractor or any payment of such amounts based thereon shall not be deemed to be a waiver by the City of any of the Contractor's obligations or the City's rights under this Agreement. However, if the City has not caused an audit or inspection of the Contractor's accounting records or Services for any calendar month to commence within two (2) years of the last day of any such calendar month, the City and the contractor agree that the accounting records and all such amounts paid for that calendar month shall have been deemed to have been made accurately and in full compliance with the provisions of this Agreement.

### **ARTICLE 5 - INFORMATION AND PROPERTY RIGHTS**

#### 5.1 **Confidential Information**

- (a) The Contractor agrees that:
  - (i) all data, information and material of a confidential nature provided or disclosed to the Contractor by or on behalf of the City;

In that regard, such Confidential Information may only be disclosed by the Contractor to those of its officers, employees, agents or subcontractors who have a need to know such information for the purposes of this Agreement and the Contractor shall take appropriate steps, whether by instruction, agreement or otherwise to ensure that such officers, employees, agents and subcontractors keep such information strictly confidential and otherwise comply with the provisions of this Section 5.1.

- (b) No Confidential Information shall be copied or provided or disclosed to any other party without the prior written consent of the City, which consent may be withheld in the City's sole discretion.
- (c) The Contractor acknowledges that it has no interest in the Confidential Information and shall surrender all Confidential Information in its possession or control (including all copies thereof) to the City immediately upon termination or expiration of this Agreement or at any earlier time upon the City's request, and shall thereafter cease all use of the Confidential Information.

#### 5.3 **Injunctive Relief**

The parties agree that improper disclosure or use of the Confidential Information will cause irreparable harm to the City, which harm may not be adequately compensated by damages. As a result, the parties agree that, in addition to all other remedies the City may have and not in derogation thereof, the City may seek and obtain from any court of competent jurisdiction injunctive relief in respect of any actual or threatened disclosure or use contrary to the provisions of this Agreement.

#### 5.4 **Ownership of Service Results**

- (b) The Contractor hereby assigns, transfers and conveys to the City all of its right, title and interest in and to the Service Results and the Contractor shall promptly execute and do or cause to be executed and done any and all documents and things necessary or desirable to give effect to the provisions of this Section 5.4, including the execution of a written assignment of all right, title and interest, whether in law or in equity, to the City for any or all of the Services Results, in form acceptable to the City.
- (c) Upon completion of the Services or expiration or termination of this Agreement, whichever is sooner (and from time to time upon request by the City), the Service Results and all copies thereof shall be delivered by the Contractor to the City without demand by the City without demand by the City, together with all supporting materials, explanatory notes and know-how required or reasonably necessary for full and complete disclosure of such Service Results and to enable the City to understand, use and modify the Service Results without assistance.
